Breakout

1. In your group, take turns listening to each others' responses. ***Listen at 110%***. If there is a word or a phrase that you hear that resonates for you, write it down.
2. Co-create a list of descriptors that best captures your collective hopes for the Grand Rounds.

Breakout

- With your collective hopes in mind, what are you curious about? In other words, what questions do you want to ask **now** so that you can move toward your desired future for this work? (2-3 questions max)
- Pick one question and complete the template for that question

Breakout

The Template

Question	What information will you need?	Where will you get it? (Sources)	How will you get it? (Methods and Tools)	When will you get it? (Process)	Who will get it? (MRP)
